**20/20
VISION**
THE VISION IS FUNDING OUR NEW
LOCATION AT 6070 I-55 SOUTH

July Health Tips

Stop drinking soda. According to research published in the American Heart Association Journal Circulation and based on over 6,000 participants in the Framingham Heart Study, drinking one or more soft drinks a day can cause a greater risk of metabolic syndrome, larger waist circumference, obesity, impaired fasting glucose, high blood pressure, and higher levels of triglycerides (associated with high cholesterol).
