## Believe that You Are Blessed

If you have never been convinced before, begin now. BELIEVE THAT YOU ARE BLESSED! We are BLESSED with blessings which are with us now as believers. They are firstly spiritual. We will be BLESSED with even more blessings which are in our future. In simple terms, being BLESSED means that God himself has spoken well concerning us.

Pause and read the following:

- Ephesians 1:3-12
- Genesis 12:2-3; Galatians 3:9; Genesis 22:18
- Psalms 72:17; 134:3
- Isaiah 61:9
